INTRODUCTION :-

The parent institute, Shri Neminath Jain Brahmacharyashram was founded in the year 1928 by late. Shri Karmaveer Keshavlalji Abad alias Kakaji. Which is one of the prominent educational institution in North Maharashtra. Shri H.H.J.B Polytechnic is established in 1983 by Shri Neminath Jain Brahmacharyashram, Chandwad. The main objective of this Polytechnic is to impart world class Technical Education to their students so that they become competent to face global competition.

Vision

To produce Cultured, Responsible and Skilled Engineers.

Mission

To empower students with excellent Technical Education, professional Skills and Human Values to face challenges of Real World.

SALIENT FEATURE (Excellent Remark to the Institution by MSBTE)

1. Qualified, trained & experienced faculty & staff.
2. Spacious building with all modern amenities.
3. Well Equipped Laboratories.
4. Advanced Computer Centre.
5. Workshop with Modern Machineries & Tools.
6. C.N.C.Machines (Lathe, Milling Machine Trainer)
7. Internet facility for all students.
8. Library with good collection of Books & Periodicals along with reading room facility.
9. Students counseling Section.
10. Gymkhana facility for students.
11. Seperate Hostels for Boys & Girls with Mess facility.
12. Guidance & Assistance for various Scholarships.
13. Seminars & Workshops for overall development of students.
14. Availability of ATM / BANK / POST OFFICE & various canteens in Campus.

VARIOUS EDUCATIONAL INSTITUTIONS ESTABLISHED BY THE ASHRAM.

1. Shrimati Kanchanbai Babulalji Abad Homoeopathic Medical College & Shri. Ratanlalji Premraj Chordiya Medical Hospital (B.H.M.S.)
2. S.N.J.B.'s Shriman Sureshdada Jain College of Pharmacy (B.Pharm.)
3. S.N.J.B.'s Late Sau. Kantabai Bhavarlalji Jain College of Engineering
4. Shri. Hiralal Hastimal Jain Brothers (Jalgaon) Polytechnic.
5. Shriman Deepchand Fakirchand Lodha Pharmacy Collge (D. Pharm.)
6. Shriman Motilalji Girdharilalji Lodha Commerce (Senior College) & Shriman Premrajji Dalichandji Surana Art & Commerce (Juniour College).
7. Shri. Neminath Jain Vidyalaya (Secondary & Higher Secondary - 12 Science).
8. Sau. Pramilabai Danmalji Nahar (Premdan) Minimum Competency Vocational Courses.
9. Shri. Neminath Jain Prathamik Shala.
10. S.N.J.B.'s Late Shri. Dhanrajji Mishrilalji Bhansali English Medium School.
11. Shrimati Sagunabai Kedulalji Tatiya Adarsh Bal Vikas Mandir (Marathi Medium, Balwadi & English Medium Kinder garten.

(Jain Minority Institution)**

COURSE OF INSTRUCTION

AICTE & DTE, Maharashtra State approved & affiliated to MSBTE, Mumbai

1) FIRST YEAR ADMISSION : (Duration 3 Years)

Sr.No.	Course Name	Intake Capacity	Eligibility
1)	Mechanical Engineering	60+60	SSC Passed with 35% (with Math, Science & English)
2)	Civil Engineering	60	
3)	Electronics & Telecommunication Engineering	60	
4)	Computer Technology	60	

2) DIRECT SECOND YEAR ADMISSION (Lateral Entry)

Sr. No.	Course Name	Eligibility
1)	Mechanical Engineering	12 th Science Pass /
2)	Civil Engineering	12 th Science with MCVC / ITI & SSC
3)	Electronics & Telecommunication Engineering	Pass with
4)	Computer Technology	Physics, Chemistry & Maths or Biology

DTE APPROVED / MSBTE AFFILIATED SHORT TERM (TWO YEAR) COURSES

1) FIRST YEAR ADMISSION

Sr. No.	Course Name	Intake Capacity	Eligibility	Duration
1)	Interior Design & Decoration	30	SSC Pass Class	2 Year
2)	Dress Designing & Manufacturing	40		

* For Eligibility Criteria refer DTE website : www.dtemaharashtra.gov.in

Documents Required

- 1) SSC Mark Sheet
- 2) SSC / HSC School Leaving Certificate
- 3) H.S.C. Mark Sheet (For Direct Second Year)
- 4) Caste Certificate (If Necessary)
- 5) Medical Certificate
- 6) Creamy Layer Certificate (for NT2, NT3 & OBC Candidates)
- 7) Aadhar Card (attested Copy)
- 8) Passport Size Photographs - 4

Admission Rules as declared by DTE are final & binding on candidate.

Institution is Jain Minority Institution - Rules & Procedure as per DTE will be followed for Admission of Jain Minority students Under Minority Quota - For Details refer DTE & SNJB's Polytechnic Website - time to time.

Fee Details : As per Fee Regulating Authority and according to instructions of the Director of Technical Education, Mumbai, Maharashtra.

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering Department always plays a significant role in the manufacturing industries. It helps in the production of serviceable goods. This department offers a unique opportunity to study fundamental as well as practical concepts in various areas of Mechanical Engineering. The Department includes the following well equipped Laboratories.

- | | |
|---|--------------------------------------|
| 1) Fluid Mechanics & Industrial Fluid power Lab | 2) Metrology and Quality Control Lab |
| 3) Measurement and control Lab | 4) Workshop |
| 5) Theory Of Machine/Automobile Engineering Lab | 6) Thermal Engg. Lab |

Vision

Committed to produce Mechanical Engineers to serve the society with skills and values.

Mission

- 1) To provide high quality Mechanical Engineering education at diploma level.
- 2) To prepare diploma students for career and higher education.
- 3) To develop department as a center of excellence in quality education, culture and values.

Shri. H. H. J. B. Polytechnic's
Institute of Design**

DEPARTMENT OF INTERIOR DESIGN & DECORATION

Now there is a need for creative and well trained professionals who are knowledgeable in functional and aesthetic design of spaces for various human activities. In keeping upto date with modern trends involving in the field of Interior Designing & Decoration, this course will in turn result in improving the life style of the society.

Student of Interior Department has a wide scope in the fields of industry and commerce and also has a great residential interior prospects. We take efforts to provide necessary infrastructural facilities and faculty to fulfil these needs.

DEPARTMENT OF DRESS DESIGNING & MANUFACTURING

This is one of the branches which deals with creativity. The course of Dress Designing & Manufacturing provides the students 'self Employment' in this tough competitive world. The staff teach, demonstrate, guide and assist the students to improve the horizons of practical knowledge.

**SNJB's
Shri. H. H. J. B. Polytechnic**

DEPARTMENT OF APPLIED SCIENCE

Physics & Chemistry are the basic subjects of Science, without proper understanding and study of these subjects one cannot enter into field of Engineering and Research. Seminars and group discussions are regularly held to improve upon the language proficiency and communication skills which is but essential in this competitive age.

WORKSHOP

Our workshops are well equipped with all types of machine tools for demonstration and to produce accurate, precise and good quality of jobs. The workshop are properly ventilated and has a pleasant working atmosphere. It includes conventional shops like carpentry, metal working plumbing machining etc., It also has latest machine tools such as radial drilling machine, CNC milling & CNC lathe (trainer) machine. These tools enriches the practical knowledge of the students for their future career.

LIBRARY

The institute has the best library with enriched collection of text books available for all the branches of Engineering & Technology. Our Polytechnic has subscribed National, International Journals and periodicals. The library has a spacious reading room for students. Internet access is also available which provides treasury of information to the students.

**SNJB's
Shri. H. H. J. B. Polytechnic**

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering targets at the developments of modern civilization. It includes planning, design, construction & maintenance of public, facilities which are quite essential in our private & social life. Infrastructural development in all spheres is at a rapid pace. National highways, railways, bridges, over bridges, flyovers, dams, buildings etc. have an increasing demand for Civil Engineering candidates.

The Laboratories of Civil Engineering department have adequate facilities to conduct practicals in various subjects.

- 1) Mechanics of Structures Laboratory.
- 2) Civil Engineering Model Laboratory.
- 3) Geo Tech. & Concrete Technology Eng. Lab.
- 4) Environmental Engineering Laboratory.
- 5) Surveying Laboratory.
- 6) Auto cad Laboratory.
- 7) Hydraulics Laboratory.

Vision

Committed to produce Civil Engineers to serve the society with skills and values.

Mission

- 1) To provide high quality Civil Engineering education at diploma level.
- 2) To prepare diploma students for career and higher education.
- 3) To develop department as a center of excellence in quality education, culture and values.

**SNJB's
Shri. H. H. J. B. Polytechnic**

DEPARTMENT ELECTRONICS & TELE COMMUNICATION ENGINEERING

Electronics & Tele communication Engg. is one of the fastest developing fields. Keeping in view the importance of electronics in the national economy, our department has dedicated to improve and make the students skillful and perfect in the present challenging world. The department has following laboratories with latest equipments.

- 1) Analog Electronics Laboratory.
- 2) Measurement and Control Laboratory.
- 3) Communication and Advance Communication Laboratory.
- 4) Digital and Microcontroller Laboratory.
- 5) Eletrical and Electronics workshop.

Vision

Committed to produce Electronics and Telecommunication Engineers to serve the society with skills and values.

Mission

- 1) To provide high quality Electronics and Telecommunication Engineering education at diploma level.
- 2) To preapre diploma students for career and higher education.
- 3) To develop department as a centre of excellence in quality education, culture and values.

**SNJB's
Shri. H. H. J. B. Polytechnic**

DEPARTMENT OF COMPUTER TECHNOLOGY

Nowadays the knowledge of Computer has become a basic need of Engineering Education. For this the Institute has endorsed to provide excellent computer education. The laboratories are well equipped with updated software. The department provides internet facility for all the students. The motto of this department is to make each and every student a computer professional.

- 1) Software testing and multimedia lab.
- 2) Project lab /Basic Electronics lab.
- 3) Unix lab/ Digital lab.
- 4) Internet network lab.
- 5) Microprocessor lab.
- 6) Hardware lab.

Vision

Committed to produce computer Engineers to serve the society with skills and values.

Mission

- 1) To provide high quality Computer Engineering education at diploma level.
- 2) To prepare diploma students for career and higher education.
- 3) To develop department as a center of excellence in quality education, culture and values.
