Tribute to Great philosopher, Educationist... Our Inspiration 'Karmaveer Kakaji'

Sangharsharathi” Karmaveer Late Shri. Keshavlalji Harakchandji Abad alias Poojya Kakaji is one of all those great men whose life reminds us to make our lives sublime and departing by leaving behind footprints on the sands of time. With all this in mind and with the blessings of Lord Chandraprabhuji, Poojya Kakaji laid the foundation of Jain Gurukul with mere four students. By introducing “Gurukul” system, Poojya Kakaji preserved the culture of the community. Indeed a small dream had been transformed into a great institution.
